## The Man Behind Miracle

As we gear up for another hectic academic session, I, along with my faculty members feel delighted to welcome the young entrants into the portals of this great institution. A confluence of tradition and modernity is the hallmark of this institution as we strongly believe in inculcating the age-old values in our students besides preparing them for the upcoming challenges of life.

I believe that our group of institutions have been entrusted with the sacred task of providing qualitative, higher education to the youngsters, who came to this institution with dreams in their eyes. May the pristine beauty and glory of this institution enthuse and energize you to realise your inherent potential and achieve spectacular success in life. As it has been rightly said by Khalil Gibran, "The significance of a man is not what he attains but in what he longs to attain. He is unquestionably a thriller sensitizing the core issues of the students on Mathematical Studies and facilitating them easier with a strong sense of courage and conviction. He has been persistently making strides in the exploration of nurturing talents of dashing and dynamic aspirants, seeking dazzling and sparkling career in the field of science. The career-building institute 'SIMS' & 'SHSS' have displayed unquestionable commitment & dedication in imparting quality education in the twin city platform. His strong determination, clear vision, exceptional will power, die-hard dedication has brought immense glory to the "Shakti Higher Secondary School" and students passing out with flying colours year by year are now adding feathers to its shining crown of success." Shakti Group of Institutions" is all set to see the dawn of the day to meet the growing demand of the students in pursuance of their goal and become responsible citizens for the country.

## Our Vision and Motto

To commence with high quality education in intermediate and under graduate level, the basic approach shall be excellence beyond stereotyped teaching, which shall aim at conceptual development and make unique contribution in expanding the scope of knowledge henceforth ensuring luminous future for the young aspirants by which the posterity shall be grateful to this incredible centre of learning.

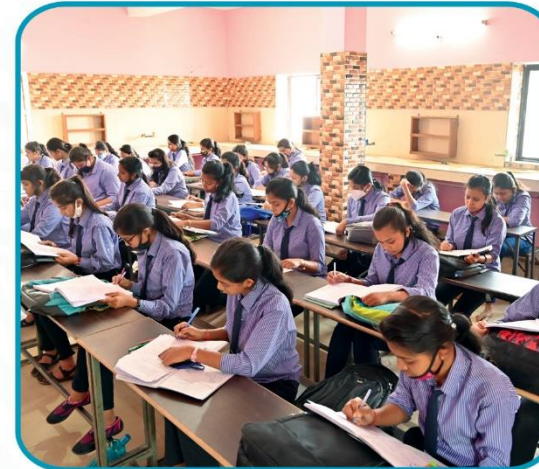

## Our Mission

To expand human knowledge and enrich society through building the bright future of young Odisha, we investigate most challenging fundamental problems of our students in a singularly and Collegial inter-disciplinary atmosphere, while educating and empowering outstanding students to become creative, constructive and responsible architects of modern vibrant society.

To pay respect to every student with fairness and to set core beliefs and commitments like integrity, trust, tolerance, honesty, simplicity, morality in students so that they dare to face the formidable challenges of the cut-throat-competition of the modern world and contribute society with their profound knowledge and indomitable spirit.

## Infrastructure

- Well ventilated spacious Classrooms.
- Sports infrastructure includes Cricket, Badminton, Football, Additionally indoor chess, Table Tennis and Carrom are provided in campus.
- We have labs for Physics, Chemistry, IT and Biology. These labs are well equipped and cater the needs of the various syllabi for which the students opt.
- Separate Dining Halls for boys and girls. A well balanced, healthy vegetarian and non-vegetarian diet preparation under supervision is served to all Students and the teaching staff.
- We believe in giving our students quality-physical education. So we have created a gym that provides optimal fitness training to students.
- We have basic medical facilities whenever required. In the unlikely event of serious injury or illness students are taken to the nearby hospital for treatment.
- SHSS's Snacks Parlour provides all essential commodities of daily life and even nutritious healthy food and juices.
- The day to day requirements of the hostellers are met by the vigilant wardens of the respective hostels.
- Smart classroom and digital learning resources is presented to teach abstract concepts easily in making the class enjoyable and interesting.

## Our Motto

The "Tree of Life" sprouts from the mother earth as a tiny shoot and with the right nurturing grows into a strong tree that withstands the vagaries of the environment, while selflessly repaying mother Nature. Students of Shakti Group of Institutions will be nurtured in the best environment to blossom in an affectionate care to reach to the sky and realize the motto of living a life with wisdom and virtue.

## Personal Care

Our emphasis is on motherly care and learning according to developmental needs of the child, inculcating discipline through positive reinforcement and preparing them to meet the challenges ahead.

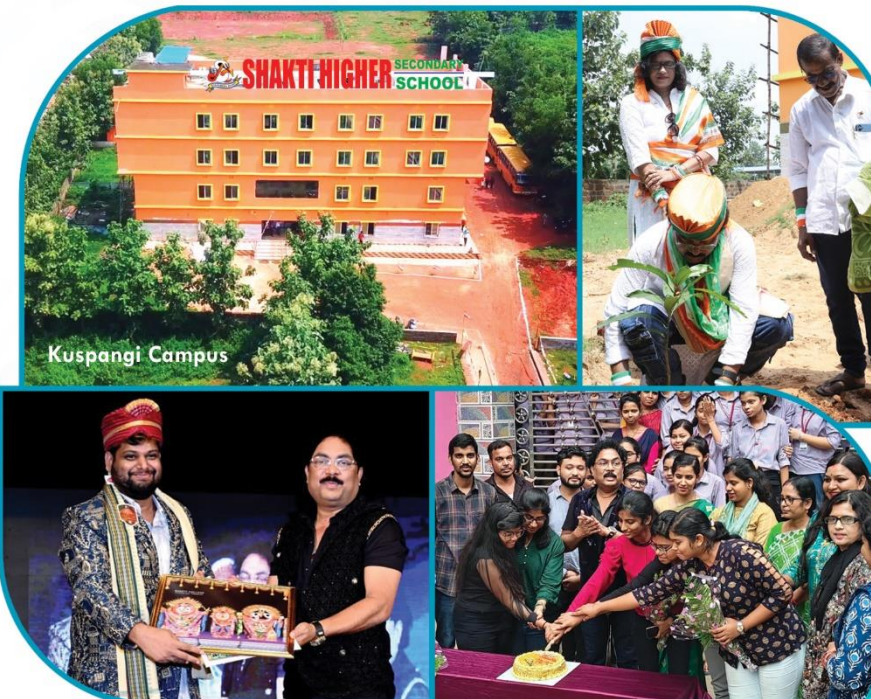

Materials are provided by the renowned teachers not only of Odisha but outside odisha like Kota and elsewhere to meet the challenges of the techno-world for both IITians and Medico aspirants.

## Fulfilling Your Dreams

We mould the students in the systematic and synthetic manner to make them more competent. we focus on knowledge creation, life long learning and leadership qualities.

## Scholarship

Scholarship for the selected BPL scholar students is also provided on the basis of merit & performance.
